

# ONE IN CHRIST

*The Path to Heaven through the Sacrament of Marriage*

*Indianapolis, Indiana*

One in Christ presents both the sacramental theology and the practical “tools” of Christian Marriage so that couples reach an understanding of how marriage is a participation in the life of heaven and what that means for their lives together here on earth. The course takes the approach of presenting the truth, beauty and goodness of marriage and family life. This approach is very appealing to today’s couples, assaulted as they are by much secular negativity about marriage. Our goal is not just to present information on marriage, but rather to help couples see the what, why and how of the Church’s teaching in relation to marriage. That is why we begin with the basic catechesis on the Catholic Faith and interweave it throughout the seminar. As a result, it becomes a catechesis reinvigorating the couples’ faith life within the context of marriage preparation.

Deeply rooted in Scripture, Catholic Tradition, the Lives of the Saints and Papal Encyclicals, this seminar will prepare couples to see the truth, beauty and goodness of marriage and family life. Couples will come to see how God and His grace are the remedies and the quintessential means to a happy, healthy, holy and lasting marriage.
